

# Approved Models of Instruction and Attendance

## SCHOOL YEAR 2020-2021

Due to COVID-19 safety concerns, the Guam Education Board (GEB) has approved three instructional models for SY2020-2021. All three models will be offered, and parents should contact their child's school as soon as possible to submit the Model of Learning Registration form to select which model of instruction their child will participate in. Contact information for each school is available at :

## SAFETY TIPS for STUDENTS

1. Stay home when you are sick.
2. Wear a face covering while riding the bus and at school.
3. Check your temperature before going to class.
4. Keep 6 feet physical distancing at all times.
5. Avoid high fives, hugs, and handshakes. Use elbows instead.
6. Cover your mouth and nose with a tissue when you cough or sneeze (and then throw away the tissue).
7. Wash hands often with soap and water for at least 20 seconds.
8. If soap and water are not available, use an alcohol-based hand sanitizer.
9. Avoid touching your eyes, nose, and mouth with unwashed hands.
10. Clean and disinfect frequently touched objects and surfaces.
11. Keep your food, drinks and utensils to yourself (no sharing).
12. Only use your own instructional supplies. Refrain from touching other people's belongings.

### HOME LEARNING ONLINE INSTRUCTION (ONLINE LEARNING)

This model of instruction and attendance is 100% online home learning. Students participate in classes online and are required to have a computer or tablet, and reliable internet access. Additionally, though not necessarily required, access to a printer and scanner is beneficial.

### HOME LEARNING HARD COPIES (PAPER BASED/HARD COPY CURRICULUM)

This model of instruction and attendance is for students who would like to do 100% home learning but do not have the equipment to support 100% online work. This would be a home learning model supported by a paper-based or hard copy based curriculum.

### TRADITIONAL FACE-TO-FACE (Classroom + At-Home Learning)

This model of instruction and attendance will be for students who will be participating in traditional face-to-face classes in school. Due to safety and physical distancing considerations, the Guam Education Board has approved using an A-B-C alternating schedule, where 1/3 of students attend classes on any given school day.

#### PROPOSED A/B/C ALTERNATING SCHEDULE

1. Students are divided up into three equally sized alphabetical cohorts (A,B,C). Efforts will be made to align schedules of siblings in the same or multiple schools.
2. Cohorts will alternate days for physical attendance on campus.
3. On days when students are not physically on campus, they will have assignments, projects or activities to complete and submit when they return. These assignments, projects or activities can be provided and completed electronically or through hard copy, depending on students' access to equipment and the internet.
4. Alternating days will follow the same order and adjust accordingly for holidays.
5. Fridays will be designated as student interventions and parent support days.

#### ALTERNATING CLASS SCHEDULE SEQUENCE

| MONDAY  | TUESDAY | WEDNESDAY | THURSDAY | FRIDAY                                 |
